

## 19" Rack Fixed Shelves

Avalon's 19" Shelves are designed to fit in any floor standing cabinet. They mount on the front and rear uprights to provide a sturdy base to sit your equipment. In many cases some network and computing tools and equipment like modems, DVR, NVR and Amplifier etc. are not rack mountable, in such cases these fixed shelves are the best solution for placing such equipment inside rack.

### Features

- Standard 19" width
- Easy to mount to the inside holes of the rails
- Suitable for placing equipment without rack mount brackets
- Mountable through 4 mounting points to ensure higher weight capacity
- Ventilated surface to assist convection

### Specifications

- All Steel construction
- Fixed shelves made of 1.2 mm thick SPCC
- Powder Coated matt black finish
- Strong structure of individually fabricated component
- Manufactured using CNC machines only
- Surface Finish: Matt Black Epoxy Powder Coated Paint (RAL 9005)

### Packaging

- Packed in Single carton
