19" Rack Sliding Shelves

Avalon sliding shelves comes in width that fit 19" wide panel spaces and all sizes of cabinets. These shelves are made up of 1.2 mm thick gauge steel and flanged on all four sides for added support. These shelves allow sufficient room in the rear for cables and power outlet strips. In many cases some network and computing tools and equipment such as modem, KVM & Keyboard are not rack mountable. In these cases, these sliding shelves are the best solution for placing such equipment inside the Rack.
