

# 1U Vertical Server Rack Cable Management D-Ring Hook

## 2.2 x 3.9in (5.7 x 10cm)

The Vertical Cable Management D-Ring is a 1U metal cable hook that can be mounted to any standard rack post. It is constructed of high-quality steel and offers a flexible opening for easy insertion of bundled cables. The D-Ring provides strain relief for attached cables, and multiple D-Rings can be attached to a rack to create a versatile cable management solution.
